Skilled in CNC machine operation, programming, and technical drawing interpretation. Strong focus on quality, safety, and efficiency in fast-paced production environments.

### EDUCATION

#### CNC MACHINING

CNC DON BOSCO ITI, Vaduthala,

2025

#### DIPLOMA IN INSTRUMENTATION ENGINEERING

Diploma GOVT polytechnic college, Pala,

2020 – 2023

#### HIGHER SECONDARY EDUCATION (PLUS TWO)

TD HSS, Alappuzha,

2018 – 2020

### SKILLS

- Technical Drawing & Blueprint Reading
- Manufacturing Technology Precision Machining
- Machine Setup & Tooling
- Quality Control & Inspection
- Preventive Maintenance
- Production Efficiency & Safety Standards
- Team Collaboration & Communication

### INTERESTS:

- Advanced CNC Programming & Automation
- CAD/CAM Software Development
- Mechanical Design & Prototyping
- Lean Manufacturing & Process Optimization
- Industrial Robotics & Automation
- 3D Printing & Additive Manufacturing
- Engineering Innovation & Technology Trends
